What information should I provide when checking in online?

LOT airlines ask for information that will allow to generate a boarding pass. These data include:

- date of birth,
- nationality,
- document type (identity card or passport),
- number and series of document,
- issuing country,
- expiry date of document,
- visa, if required in the country of arrival (e.g. United States).

The document whose data was provided during online check-in should be taken with you to the airport and shown during boarding.
